

§ 2.904 Notification.

(a) Notification is an equipment authorization issued by the Commission whereby the applicant makes measurements to determine that the equipment complies with the appropriate technical standards and reports that such measurements have been made and demonstrate the necessary compliance. Submittal of a sample unit or representative data to the Commission demonstrating compliance is not required unless specifically requested by the Commission pursuant to § 2.936, § 2.943 or § 2.945.

(b) Notification attaches to all items subsequently marketed by the grantee which are identical, as defined in § 2.908, to the sample(s) tested and found acceptable by the grantee.

(c) Permissive changes or other variations authorized by the Commission to equipment under the notification procedure shall be made in accordance with the restrictions contained in § 2.977.

(d) For equipment which requires a grant of notification, authorization under type acceptance, type approval, or certification shall be deemed to constitute authorization of the equipment under notification.

§ 2.906 Declaration of Conformity.

(a) A Declaration of Conformity is a procedure where the responsible party, as defined in § 2.909, makes measurements or takes other necessary steps

to ensure that the equipment complies with the appropriate technical standards. Submittal of a sample unit or representative data to the Commission demonstrating compliance is not required unless specifically requested pursuant to § 2.1076.

(b) The Declaration of Conformity attaches to all items subsequently marketed by the responsible party which are identical, as defined in § 2.908, to the sample tested and found acceptable by the responsible party.

§ 2.907 Certification.

(a) Certification is an equipment authorization issued by the Commission for equipment designed to be operated without individual license under Parts 15 and 18 of its rules, based on representations and test data submitted by the applicant.

(b) Certification attaches to all units subsequently marketed by the grantee which are identical (see § 2.908) to the sample tested except for permissive changes or other variations authorized by the Commission pursuant to § 2.1043.

[39 FR 5919, Feb. 15, 1974, as amended at 39 FR 27802, Aug. 1, 1974]

§ 2.908 Identical defined.

As used in this subpart, the term *identical* means identical within the variation that can be expected to arise as a result of quantity production techniques.
