

payphone number verification in connection with the compensation requirements herein, even if such verification is a negative response.

(e) A payphone service provider that seeks compensation for payphones that are not included on the Local Exchange Carrier's list satisfies its obligation to provide alternative reasonable verification to a payor carrier if it provides to that carrier:

(1) A notarized affidavit attesting that each of the payphones for which the payphone service provider seeks compensation is a payphone that was in working order as of the last day of the compensation period; and

(2) Corroborating evidence that each such payphone is owned by the payphone service provider seeking compensation and was in working order on the last day of the compensation period. Corroborating evidence shall include, at a minimum, the telephone bill for the last month of the billing quarter indicating use of a line screening service.

§ 64.1330 State review of payphone entry and exit regulations and public interest payphones.

(a) Each state must review and remove any of its regulations applicable to payphones and payphone service providers that impose market entry or exit requirements.

(b) Each state must ensure that access to dialtone, emergency calls, and telecommunications relay service calls for the hearing disabled is available from all payphones at no charge to the caller.

(c) Each state must review its rules and policies to determine whether it has provided for public interest payphones consistent with applicable Commission guidelines, evaluate whether it needs to take measures to ensure that such payphones will continue to exist in light of the Commission's implementation of Section 276 of the Communications Act, and administer and fund such programs so that such payphones are supported fairly and equitably. This review must be completed by September 20, 1998.
