Subpart E—Universal Service Support for Low-Income Consumers

§ 54.400 Terms and definitions.

As used in this subpart, the following terms shall be defined as follows:

(a) *Qualifying low-income consumer.* A "qualifying low-income consumer" is a consumer who meets the qualifications for Lifeline, as specified in § 54.409.

(b) *Toll blocking.* "Toll blocking" is a service provided by carriers that lets consumers elect not to allow the completion of outgoing toll calls from their telecommunications channel.

(c) *Toll control.* "Toll control" is a service provided by carriers that allows consumers to specify a certain amount of toll usage that may be incurred on their telecommunications channel per month or per billing cycle.

(d) *Toll limitation.* "Toll limitation" denotes either toll blocking or toll control for eligible telecommunications carriers that are incapable of providing both services. For eligible telecommunications carriers that are capable of providing both services, "toll limitation" denotes both toll blocking and toll control.

(e) *Eligible resident of Tribal lands.* An "eligible resident of Tribal lands" is a "qualifying low-income consumer," as defined in paragraph (a) of this section, living on or near a reservation. A "reservation" is defined as any federally recognized Indian tribe's reservation, pueblo, or colony, including former reservations in Oklahoma, Alaska Native regions established pursuant to the Alaska Native Claims Settlement Act (85 Stat. 688), and Indian allotments. "Near reservation" is defined as those areas or communities adjacent or contiguous to reservations which are designated by the Department of Interior's Commission of Indian Affairs upon recommendation of the local Bureau of Indian Affairs Superintendent, which recommendation shall be based upon consultation with the tribal governing body of those reservations, as locales appropriate for the extension of financial assistance and/or social services, on the basis of such general criteria as: Number of Indian people native to the reservation residing in the area; a written designation by the tribal governing body that members of their tribe and family members who are Indian residing in the area, are socially, culturally and economically affiliated with their tribe and reservation; geographical proximity of the area to the reservation, and administrative feasibility of providing an adequate level of services to the area.

(a) As used in this subpart, *Lifeline* means a retail local service offering:

(1) That is available only to qualifying low-income consumers;

(2) For which qualifying low-income consumers pay reduced charges as a result of application of the Lifeline support amount described in § 54.403; and

(3) That includes the services or functionalities enumerated in § 54.101 (a)(1) through (a)(9). The carriers shall offer toll limitation to all qualifying low-income consumers at the time such consumers subscribe to Lifeline service. If the consumer elects to receive toll limitation, that service shall become part of that consumer’s Lifeline service.

(b) [Reserved]

(c) Eligible telecommunications carriers may not collect a service deposit in order to initiate Lifeline service, if the qualifying low-income consumer voluntarily elects toll limitation service from the carrier, where available. If toll limitation services are unavailable, the carrier may charge a service deposit.

(d) The state commission shall file or require the eligible telecommunications carrier to file information with the Administrator demonstrating that the carrier’s Lifeline plan meets the criteria set forth in this subpart and stating the number of qualifying low-

income consumers and the amount of state assistance. Eligible telecommunications carriers not subject to state commission jurisdiction also shall make such a filing with the Administrator. Lifeline assistance shall be made available to qualifying low-income consumers as soon as the Administrator certifies that the carrier’s Lifeline plan satisfies the criteria set out in this subpart.

(e) Consistent with § 52.33(a)(1)(i)(C), eligible telecommunications carriers may not charge Lifeline customers a monthly number-portability charge.
